

# Megastars AI Digital Millennium Copyright Act (DMCA) Policy

## Effective Date: Last Updated:

[Legal Company Name] ("Megastars AI," "we," "us," or "our") respects the intellectual property rights of others and expects its users to do the same. In accordance with the Digital Millennium Copyright Act of 1998 ("DMCA"), the text of which may be found on the U.S. Copyright Office website, we will respond expeditiously to claims of copyright infringement committed using the Megastars AI service (the "Platform") that are reported to our Designated Copyright Agent, identified below.

This policy applies to all users of the Megastars AI Platform, including "Creators" and "Companies."

## 1. DMCA Designated Agent

To be effective, all notifications of claimed copyright infringement must be sent to our Designated Agent. We have registered the following agent with the U.S. Copyright Office:

### Designated Copyright Agent:

**Derick Smith**

**Email: [dmca@megastars.ai](mailto:dmca@megastars.ai)**

This contact information is for DMCA notices only. All other inquiries (e.g., customer support, privacy requests) should be directed to the contacts listed in our Terms of Service or Privacy Policy.

## 2. Procedure for Reporting Copyright Infringement (Takedown Notice)

If you are a copyright owner, or are authorized to act on behalf of one, and you believe that any content posted on the Platform infringes upon your copyrights, you may submit a DMCA Takedown Notice to our Designated Agent.

To be valid, your notice must be in writing and include substantially the following information:

1. **A physical or electronic signature** of a person authorized to act on behalf of the owner of an exclusive right that is allegedly infringed.
2. **Identification of the copyrighted work** claimed to have been infringed (e.g., a link to your original work, a description of the work). If multiple copyrighted works are covered by a single notification, a representative list of such works.
3. **Identification of the material** that is claimed to be infringing or to be the subject of infringing activity and that is to be removed or access to which is to be disabled. You must provide information **reasonably sufficient to permit us to locate the material** (e.g., the exact URL(s) on the Megastars AI Platform where the material is located).
4. **Your contact information**, including your full name, mailing address, telephone number, and email address.

5. **A statement that you have a "good faith belief"** that use of the material in the manner complained of is not authorized by the copyright owner, its agent, or the law.
6. **A statement that the information in the notification is accurate, and under penalty of perjury**, that you are authorized to act on behalf of the owner of an exclusive right that is allegedly infringed.

Failure to include all of the above information may result in your DMCA notice not being processed.

### **3. Platform's Response to a Valid DMCA Notice**

Upon receipt of a valid and complete DMCA Takedown Notice, Megastars AI will:

1. **Expediently remove** or disable access to the allegedly infringing material.
2. **Promptly notify** the user (the "Alleged Infringer," typically a Creator) who posted the material that we have removed or disabled access to it.
3. Provide the Alleged Infringer with a copy of the DMCA Takedown Notice and instructions on how to file a Counter-Notification.

### **4. Procedure for Filing a Counter-Notification**

If you are a user who believes that your content was removed or disabled as a result of a **mistake or misidentification** of the material, you may send a DMCA Counter-Notification to our Designated Agent.

To be valid, your Counter-Notification must be in writing and include substantially the following information:

1. **Your physical or electronic signature.**
2. **Identification of the material** that has been removed or to which access has been disabled, and the **location (URL) at which the material appeared** before it was removed or disabled.
3. **A statement under penalty of perjury** that you have a **"good faith belief"** that the material was removed or disabled as a result of mistake or misidentification of the material.
4. **Your full name, mailing address, telephone number, and email address.**
5. **A statement that you consent to the jurisdiction** of the Federal District Court for the judicial district in which your address is located (or, if your address is outside of the United States, for the District of Delaware), and that you will **accept service of process** from the person who provided the original DMCA Takedown Notice or an agent of such person.

Upon receipt of a valid Counter-Notification, Megastars AI will forward a copy to the original complaining party. We will then restore the removed material within 10 to 14 business days, unless our Designated Agent first receives notice from the original complaining party that they have filed a lawsuit seeking a court order to restrain you from engaging in the infringing activity.

### **5. Repeat Infringer Policy**

In accordance with Section 512(i)(1)(A) of the DMCA, Megastars AI maintains and implements a policy of terminating, in appropriate circumstances, the accounts of users who are determined to be "repeat infringers". A user may be determined to be a repeat infringer based on the number of valid DMCA notices received against them or other factors demonstrating a pattern of infringement.

## **6. Disclaimer**

Please note that this policy is not a substitute for legal advice. We strongly recommend that you consult with your own attorney if you have specific questions about a DMCA notice or your rights under copyright law.
